WITHOUT FLYING AWAY, YOUR FAMILY ENJOY A PLEASANT SUMMER POST-PANDEMIC

Ho Chi Minh City, XX June 2020 – With the Vietnamese National Administration of Tourism kicking off its “Vietnamese People Travel Vietnam” program earlier this month, The Grand Ho Tram Resort and Casino has joined the party with its new Family Staycation package, which encourages people in Vietnam to stay in Vietnam and enjoy all the finest that this country has to offer. The Grand, which manages to combine both the ultimate in relaxation with the ultimate in entertainment options is sure to satisfy every member of the family with its five-star services and convenient location, just two hours from HCMC.

This summer families will enjoy a 50% discount when adding a second room to their booking – perfect to give the kids a little autonomy and the parents a little privacy – or to bring some extra relatives along for a wider reunion. In addition to the standard breakfast on offer for two guests per room, the resort will also offer two additional breakfasts for kids under 12, as well as a food and beverage voucher worth VND 500,000 per room for any of the resort’s restaurants, as well as a 20% discount for services at The Grand Spa.

As thousands of guests over the past seven years can attest, The Grand has all the pieces in place for the ideal family getaway for multigenerational families in Vietnam with its mix of entertainment, relaxation and cuisine all at the one destination.

Weekend guests will walk straight into The Grand’s new pool parties from 4:00 pm-6:00pm on Fridays and Saturdays featuring some of the top DJs in the country. Nestled at the junction of three of the resort’s pools, the vibrant beats whisk your worries away against the azure background of the Ho Tram sea.

Furthermore, this azure backdrop plays host to a huge variety of beachfront activities which lead the way in a family fun offering that also includes five pools and a Putt-Putt Miniature Golf Course.
